

# EDWARD PENTA

---

18 Bayns Hill Rd Boxford, MA 01921 | 978-317-8801 | [ecp4224@gmail.com](mailto:ecp4224@gmail.com)

## SUMMARY

---

My name is Edward Penta (Eddie Penta) and I'm a polyglot programmer that enjoys designing APIs, UI/UX design, and learning new things. I've been exploring the world of programming since middle school and I started contributing to open source project in high school.

I'm currently a sophomore at Wentworth Institute of Technology studying Computer Science.

All my personal projects are open source and can be viewed on Github
